### Allergen Notice

Some of our dishes contain allergens. Should you have any food allergy concerns please notify your server before ordering.

Many of our dishes are, or can be prepared on request, with gluten free ingredients. However, these are prepared in a kitchen common with gluten ingredients & although every care is taken we cannot guarantee that our meals are 100% free from gluten contamination. These items are marked with an asterisk on the menu options. Please notify the serving staff that you require the gluten free option when ordering. Thank you.

**Check out our Specials Board for additional menu options or ask your server for details**

About us

The Cottage Inn is a family run business with a traditional pub bar, 50 seat restaurant, 18 seat conservatory and 10 en-suite letting rooms (7 of which are dog-friendly). Dogs are welcome in the bar and conservatory but not the restaurant. We are open 365 days a year and serve food every day.

The restaurant is an ideal function room for private parties or wedding receptions. Buffets or set meals can be tailored to your requirements and budget. Enquire at Reception for more details.

We aim to provide good quality meals at reasonable prices and hope you enjoy your dining experience and/or stay with us. Please don't hesitate to give us any feedback, it's great to hear when we're getting it right but more importantly we would welcome the opportunity to rectify any problems in the rare event that they occur.
